Thanks so much for your quick reply, Rodger. We really do appreciate the submission you made and thank you all for supporting the full implementation of the first sequenced reform of the Uluru Statement from the Heart – a constitutionally enshrined Voice. It would be great to provide a guest speaker at some time in the future – we are a small team but we are always happy to work with our stakeholders to get this important message out.

Thank you very much for providing your address and for cc'ing in other members of RUN. Enclosed with the poster you will find some further information about what you and your networks can do to support our path to referendum, but resources can also be found in the meantime on our website www.ulurustatement.org.

Thank you again for your support and we hope to send the poster in the next few weeks.

Kindest regards
Emma

Emma / Nathaniel

Many thanks for your message below. All members of the **ACTU Retired Unionists' Network (RUN)** strongly support the need for a constitutionally enshrined Voice, in line with the Uluru Statement from the Heart so we are glad that our submission proved useful for you in pursuing this goal.

If your Statement from the Heart poster can be emailed, my email address is rsm88535@bigpond.net.au. If it needs to be mailed physically, my home address is **6 Randall Avenue Edithvale Vic 3196** and I will find some way of displaying the poster to RUN members.

Please stay in touch and, when significant further developments occur, we would be happy to have a representative as a Guest Speaker at one of our monthly meetings.

In solidarity

Hello Rodger,

Please see below.

Congratulations!

To whom it may concern

I am writing in the hope that this email may be properly directed to Rodger Smith, National Chair of the ACTU Retired Unionists Network.

We were hoping to thank Rodger for the ACTU Retired Unionists Network submission to the co-design process for the Voice, which we read in the course of our independent analysis of public submissions. To thank the Network for supporting a constitutionally enshrined Voice in line with the Uluru Statement from the Heart, we at the Uluru Dialogue would like to send the Network an Uluru Statement from the Heart poster to show our appreciation. We were hoping to be advised as to the best mailing address for the Network so that we can send this poster through?

Kind regards,
Emma Buxton-Namisnyk
